

2018 NEW 960P INFRARED CAR HD CAMERA

Features:

- ★Support AHD and Analog standard definition AHD output, the image is crisp and clear,960p.
- ★Support ICR switch, achieving day and night surveillance.
- ★High color rendition, the reality image.
- ★ High reliability,IP69K.

Application scenarios:

common used in school bus, Bus, truck etc, side/rear view camera.

Specification:

Model	WDM-V6018A
Image Sensor	1/3" progressive scan CMOS
Horizontal Resolution	1.3Mega pixel
TV system	PAL/NTSC
Effective pixels	1280(H)*960(V)
Minimum Illumination	0.01Lux@(F1.2,AGC ON),0Lux with IR
S/N	≥44dB
Auto Gain Control	Support
Back light compensation	Support
White Balance	AUTO
Digital Noise Reduction	Adaptive digital noise reduction,2D/3D-DNR
Electronic Shutter	AUTO/1/50 (1/60) -1 (50, 000Sec)
Video Output	Follow AHD standard
Image Function	Original/Reverse image
Output Adapter	4P aviation head cable

Lens	2.33mm(1.7mm Optional), M12*P0.5
IR LEDES Quantity	5 PCS Φ 3 LEDES
IR distance	5meters
IP grade	IP69K
Operating Temperature/Humidity	-30°C~+70°C/Humidity \leq 90%(No condensation)
Power Supply	DC12V \pm 10%
Power Consumption	\leq 1.2W
Dimension	73.7*54*41(mm)
