

Stator insulation paper inserting machine

We have several types of paper inserting machine, the normal one, the servo inserting one, horizontal type one and other types. We could customize our machine as per customer's different requirement. For the horizontal type, it is suitable for long and big stator which is not easy to do paper inserting. Besides, we also provide wedge inserting machine, wedge cutting and forming machine.

Application:

Stator suitable for our machines: compressor motor, fan motor, air conditioner motor, three phase motor, single phase motor, washing machine motor, generator motor, pump motor, etc.

Horizontal type paper inserting machine

Inner stator paper inserting machine

Paper forming and cutting machine

Wedge forming and cutting machine

Wedge inserting machine

Wheel motor wedge inserting machine

Beside stator paper inserting machine, we also supply other machines, like **armature production machine** (assembly line, armature winding machine, turning machine, balancing machine, welding machine, trickling machine); **stator production machine** (stator winding machine, winding inserting machine, forming machine, lacing machine, powder coating machine ect); **motor components**(such as commutator, ball bearing, carbon brush, insulation paper, shaft, magnet, fan, motor cover, etc.) and **project support and turn-key service** for some motor manufacturing.

PRODUCT CATEGORIES

Company introduction:

Established in 2007, Nide is a company devoted in the field of electric motors manufacturing, providing one-stop service for its customers. Nide has three main business divisions. The first division is to provide different kinds of **motor manufacturing machinery**, including stand along machine, fully-auto complete line for armature and stator production, and the motor assembly line. The second division is to supply the full range of **motor components** such as commutator, ball bearing, carbon brush, insulation paper, shaft, magnet, fan, motor cover, etc. The third division is to provide **technical support and consulting**, project support and turn-key service for some motor manufacturing.

Nide has following affiliated companies

Ningbo Nide Mechanical Equipment Co., Ltd
