

Solar Under Water Light

Manual

This product is solar-powered amphibious light. The highly efficient solar panel will convert solar energy into electrical energy and store in the built-in battery for the LED. The specific light-control system makes sure that the light will be charged in the daytime (enough light) automatically and light up in the evening (low light). In addition, it is easy to install, waterproof and dustproof. This product is widely used in the place of roads, courtyards, gardens, pools, etc. It is a perfect light as well as a decoration.

Features

- Solar-powered, energy saving.
- No AC or DC power is needed, easy to install.
- Amphibious design. Waterproof and dustproof, can be put in the water.
- Adjustable head, can be adjusted to 90 degrees.
- Auto sensor, the light can automatically charge itself at day time (enough sunlight) and light up in dark environment.
- Perfect for pool, pond, garden, path road, and other decoration & lighting.

Specifications

Picture	
Head Quantity	3
LED Quantity	18
LED Color	RGB (Red, Blue, Green)
Solar Panel	2.5W(6V 420mA)
Battery	18650 / 3.7V 2000mAh
Charging time	Charging 8 hour , lasting light more than 20hours
Water proof	IP68 for LED light; IP64 for solar panel
Wire Length	3.2+1.15+1.15m

Operation

1. Fix the control box into the ground or on the wall.
2. Make sure that the solar panel is not sheltered from the sun.
3. Set the heads on the places you want, like grasses, pools, roads, etc.
4. Tear off protective film on the solar panel, turn ON /OFF the light will be working and it will be charged in the daytime and light up in the evening automatically.

Notes

1. As the charging effect of the solar panel is depended on the sunlight, the LED light time is affected by weather, seasons, places, etc.
2. It is no matter ON/OFF will be charging, only when the switch is turned ON, the LED will be lighting.
3. Don't strike the product, so as not to cause irreversible damage.
4. The stake is so sharp that you must be careful when using it. And don't let children play with it.
