- 2, Operating temperature: -15°C~85°C
- 3, Flame rating: UL94V0
- 4, Standard color: dark-gray, gray
- 5, Certification: ROHS

6, Cutting tools: scissors

### Product size chart

### Product dimension

Product models	Inside diameter (mm)	Flattening width (mm)	Packaging (m/roll)
AKP-012	12	60	50 M/Roll
AKP-013	19	80	50 M/Roll
AKP-025	25	100	50 M/Roll

AKP-031	31	120	50 M/Roll
AKP-037	37	140	50 M/Roll
AKP-044	44	160	50 M/Roll
AKP-050	50	180	50 M/Roll
AKP-057	57	202	50 M/Roll
AKP-070	70	242	50 M/Roll
AKP-100	100	335	50 M/Roll
AKP-150	150	495	50 M/Roll

Remark:

- 1, inner diameter mean the diameter when sleeve is positive circle, not the fold diameters.
- 2, special packaging, special colors, etc, can be customized according to customer's requirements.
- 3, product detail parameters, please refer to our sample approved sheet.
