

ROTARY EVAPORATOR QUTATION

SPECIFICATION OF PRODUCTS:

Item	Model	Features	Unit Price
1L Rotary Evaporator	RE-52A 	Host manual lifting, temperature digital display , 120 rpm, standard water bath, optional oil bath.	USD476
	RE-52C 	Host automatic lifting, temperature digital display , 120 rpm, standard water bath, optional oil bath.	USD520
	RE-5299 	Host automatic lifting, temperature digital display, large capacity pots, standard water bath, optional oil bath.	USD540
	RE-2010 	New models, imported seals, sliding and manual two movements, 200 rpm, water and oil dual-use.	USD845

1L Rotary Evaporator	RE-2000A		Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath, temperature digital display.	Water bath:USD735 Oil bath:USD770
	RE-2000B		Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath,temperature speed dual digital display.	Water bath:USD760 Oil bath:USD795
	RE-2000E		Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath, LCD brushless motor.	Water bath:USD825 Oil bath:USD870
	RE-201D		Pot hand wheel lift, temperature and speed digital display, vacuum display, water and oil dual use, optional explosion-proof.	Ordinary:USD510 Anti-explosion:USD860

3L Rotary Evaporator	RE-301		<p>Pot hand wheel lift, temperature and speed digital display, vacuum display, water and oil dual use, optional explosion-proof.</p>	<p>Ordinary:USD670 Anti-explosion:USD1020</p>
	RE-3000A		<p>Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath, temperature digital display.</p>	<p>Water bath:USD845 Oil bath:USD880</p>
	RE-3000B		<p>Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath,temperature speed dual digital display.</p>	<p>Water bath:USD870 Oil bath:USD900</p>
	RE-3000E		<p>Aluminum appearance, imported seal, host automatically lift, 200 rpm, Standard water bath, can change oil bath, LCD brushless motor.</p>	<p>Water bath:USD930 Oil bath:USD965</p>

5L Rotary Evaporator	<p>RE-501</p> 	<p>Pot hand wheel lift, temperature and speed digital display, vacuum display, water and oil dual use, optional explosion-proof</p>	<p>Ordinary:USD715 Anti-explosion:USD1050</p>
	<p>RE-5000</p> 	<p>Automatic lifting aluminum body, Teflon + fluorine rubber two-way seal, brushless motor, LCD, water and oil dual use.</p>	<p>USD1320</p>
	<p>RE-1005</p> 	<p>New type, bath pot automatic lift, optional explosion-proof</p>	<p>Ordinary:USD1625 Anti-explosion:USD2100</p>
10L Rotary Evaporator	<p>RE-1002</p> 	<p>Teflon + fluorine rubber two-way seal, Pot hand wheel lift.</p>	<p>Ordinary:USD1690 Anti-explosion:USD1890</p>
	<p>RE-1010</p> 	<p>New type, bath pot automatic lift, optional explosion-proof</p>	<p>Ordinary:USD:2700 Anti-explosion:USD3100</p>

20L Rotary Evaporator	<p>RE-2002</p> 	Teflon + fluorine rubber two-way seal,Pot hand wheel lift.	<p>Ordinary:USD1905 Anti-explosion:USD2105</p>
	<p>RE-1020</p> 	New type, bath pot automatic lift,optional explosion-proof	<p>Ordinary:USD3035 Anti-explosion:USD3435</p>
30L Rotary Evaporator	<p>RE-3002</p> 	Teflon + fluorine rubber two-way seal,Pot hand wheel lift.	<p>Ordinary:USD2230 Anti-explosion:USD2430</p>
50L Rotary Evaporator	<p>RE-5003</p> 	Teflon + fluorine rubber two-way seal,Pot hand wheel lift.	<p>Ordinary:USD2350 Anti-explosion:USD2550</p>
	<p>RE-1050</p> 	New type, bath pot automatic lift,optional explosion-proof	<p>Ordinary:USD4100 Anti-explosion:USD4700</p>
100L Rotary Evaporator	<p>RE-100L</p> 	Advanced EL gas-tight system, bath pot automatic lift,Brushless motor, LCD, optional explosion-proof	<p>Ordinary:USD14000 Anti-explosion:USD15000</p>
