Xinxiang Worldbest Patron Saint Co., Ltd.

Enterprise Introduction

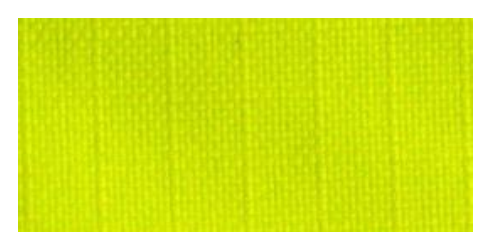

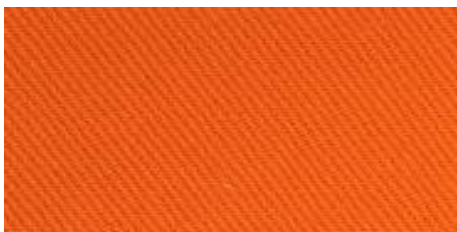

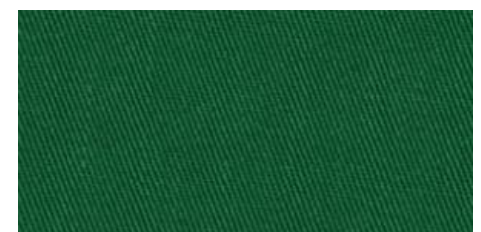

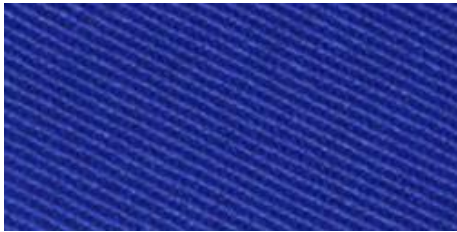

Xinxiang Worldbest Patron Saint Co., Ltd. is a professional manufacturer engaging in the production of flame retardant fabrics, various functional fabrics and wool-like fabrics, it has more than 700 employees. The flame retardant and fire proofing fabric adopts the 'Proban' production technology, 'Proban' flame retardant is mainly used in cotton fibers and blended fabrics, the fabrics after finishing has durability, and form perpetual cross-linking in the interior of the fabric, it can be washed for more than 50 times. The company also has the flame retardant products with the 'CP' production technology, such as multi-functional cotton, T/C, CVC flame retardant, admiralty series wool-like fabrics, PTFE film, anti-static, acid and alkali resistant, radiation protection, anti-oil and water proofing composite fabrics. The products are extensively applied in fire control, metallurgy, petrochemical industry work clothes, army uniform, hospital clothes, environmental protection, transportation and other fields.

Xinxiang Worldbest Patron Saint Co., Ltd. has ever been the only after treatment base for special fabric engaging in the research, production and high-tech. The company has several lines of after treatment production lines formed by advanced equipment, has provincial engineering research center, inspection center and various laboratories. We are capable of research and development, and we can test the physicochemical and special functional parameter of the fabrics at any time. The flame retardant property of the products have reached the EU 'ISO11611' and 'EN1149-3' standards, complied with Grade I product requirement of the Europe and other countries. After the inspection of SGS, TUV and other authorities, our products are exported to Europe, America, Japan, Southeast Asia and other countries. Meanwhile, our products meet with the national standard GB8965-98 flame retardant protective clothing requirement.

Our objective is to adhere to the principle of integrity and mutual beneficial in the cooperation, and to offer high quality products and services, we are honored as the 'guardian angel'.

To build Worldbest Patron Saint by modern technology! To increase the living quality by modern technology! To protect the life by high quality products!

Functional Fabric

Functional Fabric

棉锦阻燃连体服

Cotton Nylon FR Coverall

棉锦阻燃连体服

Cotton Nylon FR Coverall

Fabric	88% cotton 12% nylon FR fabric
Weight	360 GSM
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 EN ISO 11611&11612 NFPA 2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag; 10 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

全棉阻燃连体服

Fire Resistant Cotton Coverall

全棉阻燃连体服

Fire Resistant Cotton Coverall

Fabric	100% cotton flame retardant drill fabric
Weight	270 GSM
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 EN ISO 11611&11612 NFPA 2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag; 20 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

全棉阻燃连体服 Cotton FR Coverall

全棉阻燃连体服

Cotton FR Coverall

Fabric	100% cotton flame retardant drill fabric
Weight	320 GSM
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 EN ISO 11611&11612 NFPA 2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag; 10 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

阻燃防静电抗油拒水棉连体服

Winter FR Water&oil Repellent Anti-static Coverall

阻燃防静电抗油拒水棉连体服

Winter FR Water&oil Repellent Anti-static Coverall

Fabric	FR water&oil repellent anti-static saint fabric—98% cotton,2% carbon fibre	
Padding	200g hollow fibre	
Weight	300 GSM	
Standard	Conforms to: GB8965.1-2009 ISO 14419 GB8962.2-2009 BS EN 24920 EN ISO11611&11612 NFPA 2112 GB12014-2009 IEC 61482-2:2009 EN 1149	
Color	Orange, Red, Navy Blue, Grey, Royal Blue	
Sizes	S-6XL	
Packaging	1 piece per polybag; 10 polybags per case	
Application	Welding&allied Processes, Foundries, Steelworks.	

阻燃防静电抗油拒水棉背带裤

Winter FR Water&oil Repellent Anti-static Cotton Bib Pant

阻燃防静电抗油拒水棉背带裤

Winter FR Water&oil Repellent Anti-static Cotton Bib Pant

Fabric	FR water&oil repellent anti-static saint fabric—98% cotton,2% carbon fibre
Padding	200g hollow fibre
Weight	300 GSM
Standard	Conforms to: GB8965.1-2009 ISO 14419 GB8962.2-2009 BS EN 24920 EN ISO11611&11612 NFPA 2112 GB12014-2009 IEC 61482-2:2009 EN 1149
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag;10 polybags per case
Application	Welding&allied Processes, Foundries, Steelworks.

芳纶棉连体服

Winter Fire Resistant Coverall

芳纶棉连体服

Winter Fire Resistant Coverall

Fabric	Nomex IIIA fabric
Padding	300g Thinsulate
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 GB12014-2009 EN ISO 11611&11612,EN1149, BS EN 340, NFPA2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag; 10 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

全棉阻燃针织绒布卫衣套装

Cotton FR Knitted Flannel Hoodie and Pants

全棉阻燃针织绒布卫衣套装

Cotton FR Knitted Flannel Hoodie And Pants

Fabric	Cotton FR knitted flannel
Weight	380 GSM
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 EN ISO 11611&11612 NFPA 2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag;10 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

全棉阻燃针织长袖 T 恤

Cotton FR Knitted Long Sleeve T-shirt

全棉阻燃针织长袖 T 恤

Cotton FR Knitted Long Sleeve T-shirt

Fabric	Cotton FR knitted flannel
Weight	250 GSM
Standard	Conforms to: GB8965.1-2009 GB8962.2-2009 EN ISO 11611&11612 NFPA 2112
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag;10 polybags per case
Application	Welding&allied processes, Steelworks, Mining, Metallurgy, Petroleum

荧光橙摇粒绒上衣

Hi Vis Polar Fleece Jacket

荧光橙摇粒绒上衣

Hi Vis Polar Fleece Jacket

Fabric	Polyester polar fleece fabric
Weight	300 GSM
Standard	Conforms to: EN ISO 20471 GO/RT 3279
Color	Hi Vis Orange, Hi Vis Yellow
Sizes	S-6XL
Packaging	1 piece per polybag;20 polybags per case
Application	Tasks with a hi-vis requirement-traffic, security, driving, construction,roadworks and rail/underground.

荧光橙 POLO 衫

Hi Vis Bird Eye Polo Shirt

荧光橙 POLO 衫

Hi Vis Bird Eye Polo Shirt

Fabric	Special bird eye breathable fabric
Weight	140 GSM
Standard	Conforms to: EN ISO 20471 GO/RT 3279
Color	Hi Vis Orange, Hi Vis Yellow
Sizes	S-6XL
Packaging	1 piece per polybag;40 polybags per case
Application	Tasks with a hi-vis requirements-traffic, security, driving, construction, roadworks and rail/underground.

涤棉防静电工作服

Polyester Cotton Anti-static Workwear

涤棉防静电工作服

Polyester Cotton Anti-static Workwear

Fabric	T/C anti-static fabric
Weight	240 GSM
Standard	Conforms to: GB12014-2009 EN 1149
Color	Orange, Red, Navy Blue, Grey, Royal Blue
Sizes	S-6XL
Packaging	1 piece per polybag;20 polybags per case
Application	Welding&allied Processes Steelworks, Mining, Petroleum, Metallurgy

全棉长袖衬衫

Cotton Long Sleeve Shirt

全棉长袖衬衫

Cotton Long Sleeve Shirt

Fabric	100% cotton fabric
Standard	Conforms to: EN ISO 11611&11612 GB8965.1-2009 GB8962.2-2009 NFPA 2112 EN 13758
Color	Orange, Red, Navy Blue, Grey, Yellow
Sizes	S-6XL
Packaging	1 piece per polybag; 20 polybags per case
Application	Welding&allied processes, Steelworks, Mining, Metallurgy, Petroleum
